

The annual Piano Wellness Seminar, now in its eighth year, publishes a seminar booklet that provides information about the Piano Wellness Seminar and the work of Sheila Paige. Each participant and faculty member receives a copy of this program and is used daily for scheduling and biographical information.

Each year we include advertisements throughout the booklet. With an increasing number of participants from across the country attending the seminar, this is a perfect and inexpensive way to promote your business, studio, or give a personal message to the faculty or participants to a large, targeted audience. It is also an efficient way to include your contact information in one location for the benefit of faculty and participants during the academic year. You will also be listed on the Piano Wellness web site as an advertiser.

A full page ad (7"high x 4"wide) costs \$100, a half page (3.5"high x 4"wide) costs \$50 and a quarter page (3.5"high x 2"wide) costs \$25. (The quarter page is a vertical business card.) If you are interested in advertising with us, email pianoman@ryanfsmith.com with your artwork in PDF format. Please contact me if you are unable to produce a PDF file and would like additional options. We are unable to accommodate ads that do not fulfill the given dimensions or that are illegible.

Artwork should be e-mailed to Ryan Smith. Payment may be sent to Piano Wellness L.L.C., 68 Crooked Lane, Cherry Hill, NJ 08034.

Artwork and payment to Piano Wellness should be received no later than **Monday, July 2**, for us to include your ad in the seminar booklet. Please do not hesitate to contact me with any questions or comments that you may have.
